

# European Citizenship

and the Italian Constitution in the processes of modernising knowledge.  
Ideas, pathways and instruments for educational contexts

Come  
and study  
in the Eternal city  
from the comfort  
of your own  
home!

The University of Roma Tre  
Department of Education  
is offering a new online  
*professional advanced  
training course*  
(20 credits)

## Presentation

The online advanced professional training course is open to teachers, educators and social care workers.

It leads to a postgraduate qualification recognized at a European level. Teaching and learning activities focus on the National and European dimensions of citizenship, understanding educational and empathic dynamics, planning of innovative and effective pedagogies.

The theoretical aspects include interculture, citizenship, European integration, migration, inclusion, human rights, training and educational processes. The practical aspects consist of designing and leading a workshop in different educational contexts.

The course aims to develop the professional profile of the expert in active citizenship.

## Access

The course is open to graduates from all fields of study and to those with at least 3 years of working in an educational context.

Applicants must have a strong command of English, while knowledge of Italian is not essential.

## Course dates

7<sup>th</sup> Nov 2015- 15<sup>th</sup> May 2016

**Final assessment: last  
day of the course**
