

The **BIG** **HOPE**

Global Youth Congress

**SAVE THE
DATE**

The Global Youth Congress is set to return to
Liverpool Hope University from 13th – 20th June 2018.

My World. Our World. My future. **Our future.**

Ten years on from the original event, The Big Hope fulfils its promise to welcome back young people from around the world to Liverpool, as the city celebrates a decade since being European Capital of Culture.

The Big Hope 2 will provide the opportunity for young people from diverse backgrounds to come together to explore and debate key issues affecting individuals and societies around the world, such as freedom, conflict, equality and change.

Workshops, seminars and keynote speeches will focus on the relationships between these issues and factors such as innovation, faith, communication, and work and business.

How can I get involved?

There are lots of ways for you or your organisation to get involved in The Big Hope 2. Options include delegates from your organisation attending the congress, supporting other young people to attend, and presenting and leading workshops, along with sponsorship opportunities. Please contact us if you would like to explore how your organisation can support The Big Hope 2.
